Principals Report – Friday 19th August 2022

Dear Families

Panmure Primary School continues to offer exciting and engaging opportunities that allows all our students to achieve their personal best.

Students have been invited to participate in the national 'write4fun' writing competition. Our student authors have been enthusiastically drafting texts that are engaging, adventurous some even inspiring. The challenge is keeping the text to 500 words.

On Friday 19th August, the Royal Flying Doctors Aeromedical Simulator visited Panmure Primary School. During the session students, sat inside a partial plane and developed a deeper understanding and appreciation of the work that this incredible service does for our country. Students then headed to an afternoon of Gymnastics in Warrnambool for their Physical Education session. Gymnastics will occur next Friday as well.

On Wednesday 24th August, students are invited to dress up as their favourite book characters to celebrate the annual CBCA Book Week. Parents are invited to join the students in the school library at 9am on Wednesday to enjoy a parade of all our characters.

Thank you to all those families who have completed and returned their 'Parent Opinion Survey'. This is an annual survey that provides the Department of Education with a great understanding of each school in the state and assists with future planning. Please complete and return the survey in the seal envelope provided by next Friday 26 August 2022.

We have a few "lost" jumpers sitting in the office. If your child is missing a jumper, please contact us at school and we will make sure it is returned home. Can all parents please make sure that their child's uniform is **LABELLED** with their child's name.

I encourage you to contact the school at anytime and I welcome your feedback and ideas on how we can continue to grow and improve Panmure Primary School.

Don't forget to like us on Facebook

SCHOLASTIC

GET YOUR DOG TRAINED AND VOLUNTEER WITH YOUR BEST FRIEND!

Read To Dog (RtD) is a school based program helping students develop confidence in reading to others.

We require friendly dogs across the South West that are 12 months to 7 years old to be trained in a 4 day intensive course with Pawfect Communities to assist in being the best listeners to students.

Training & screening costs provided for the right volunteer (and doggo)!!
